**Subject:** Rider to Reclamation Surety Bond

Dear Ms. Frye:

On January 17, 2003, my staff sent you an email message asking you to seek a "rider" to the Travelers Casualty and Surety Co. surety bond held for the Reilly Wendover Bonneville Plant. We received a replacement \$49,100 reclamation surety bond from Travelers on 9/17/02, made out in the name of **Reilly Tar & Chemical Corporation**. A replacement Reclamation Surety Contract (Form MR-RC) was subsequently filed 16 months later, on January 16, 2003 on behalf of **Reilly Industries, Inc.**

Because of the apparent name change to Reilly Industries, Inc., we asked you to make the appropriate change to the surety bond so that both documents have the same operator name. Would you please give us an update on where this matter stands, or advise us accordingly if there is not a need to change the name on the surety bond to list Reilly Industries, Inc.?

We would truly like to finalize the processing of these bonding forms as soon as possible. Please contact me, or Joelle Burns at (801) 538-5291, if you have questions in this regard. Thank you for your assistance and immediate attention to this outstanding concern.

Sincerely,

D. Wayne Hedberg
